

# THE HITCHHIKERS GUIDE TO THE Galaxy

## groups don't panic!

A new live version of Douglas Adams' mind-blowingly imaginative comedy (mis)adventure, *The Hitchhiker's Guide To The Galaxy*, lands at Riverside Studios this November for a strictly limited season.

The night begins in a rather unusual pub as you settle in, drink in hand, for an evening of storytelling and spectacle. From there, the story lifts off – quite literally – as you hitch a ride on a passing spaceship, discover the meaning of life, and join a quest to persuade a group of inter-dimensional mice to give the Earth a second chance.

Join Arthur Dent, Zaphod Beeblebrox, Fenchurch and many more as you escape the destruction of Earth with seconds to spare and begin a search for answers to the mystery of Life, the Universe and Everything, armed only with a towel and one VERY depressed robot
